

Welcome to the future of solar lighting, welcome to hei!

hei is an Austrian company, established in 2001 and based in Vienna, specialising in creating cutting edge solar outdoor lighting, photovoltaic modules and solar powered Smart City / IoT applications. We emphasis aesthetic, technical and practical excellence in every part of our business, working together to create premium quality products. We are proud to have products installed across the globe, from the U.S.A. through Europe to the U.A.E. We also pride ourselves on the highly diverse nature of our colleagues, with over 15 nationalities being represented in our 40 employees!

We are currently looking to enhance and expand our team, with the addition of a

3D Multimedia & Graphic Designer (m/f/d)

If the profile below sounds like a good fit, we encourage you to apply!

YOUR RESPONSIBILITIES:

- Conceptualizing static, motion and interactive content that engages identified target audiences as part of digital and physical marketing campaigns
- Creating - 3D modelling, rendering and post-production – static, motion and interactive graphics to showcase HEI's technical and business advantages
- Creating static and motion visualizations of sustainable architectural and urban lighting projects
- Participating, understanding and interpreting revision throughout the entire creative and approval process
- Contributing to design proposals and narrative sketches within established brand guidelines for content across media channels
- Contributing to brand design and ensuring its consistency

YOUR QUALIFICATION & SKILLS:

- Completed higher education, e.g. Bachelor's Degree with an emphasis on Motion / Graphic / Digital design or equivalent experience
- Minimum 3 years of experience in multimedia & graphics
- Creativity and strong sense of illustration and design. Interest in sustainability, architecture, design and technology
- Professional capacity of least one 3D modelling and rendering software (ideally Rhino+V-ray)
- Professional capacity of relevant parts of Adobe Creative Suite

- Experience with video editing tools, such as Final Cut Pro or Premiere
- Understanding of design aesthetics and trends, ideally also basic marketing concepts
- Excellent written English; basic spoken German of advantage
- Desirable: familiarity with web content management systems and understanding of web and newsletter design (html)

WHY YOU SHOULD APPLY:

- A varied range of work in a highly dynamic growth market
- Innovative, unique, environmental-friendly products with high market potential
- An ambitious and interdisciplinary team with a flat hierarchy
- Appropriate remuneration
- Excellent personal development opportunities

The minimum annual salary (based on the Austrian Collective Agreement) amounts to € 36,000. The actual salary is higher and is aligned to professional experience and qualification.

THE APPLICATION PROCESS:

To apply please send **an email containing your CV, a portfolio or a link to your 3 best works and a short covering letter** detailing why HEI appeals to you and what skills you can bring to us to recruitment@hei.at or upload it using the LinkedIn EasyAppy!

Once received, please allow us approximately two weeks to review your application. If we see you as being a good fit, we will arrange an in-person or video call interview depending on your local availability.

From then we will evaluate your interview performance and invite you for a second follow-up interview to further get to know you and to give you a chance to meet the team.

Following a successful interview an offer is usually made!

We look forward to receiving your application!
